The Truth is the LIGHT

HITLER'S JEWISH NAZIS – PART 1

HITLER'S JEWISH NAZIS – PART 1

Adolf Hitler and Emil Maurice together in 1924.

There is a belief that Mein Kampf was written by Hitler's Jewish lover **Emil Maurice**.

Emil Maurice – Spartacus Educational (http://spartacus-educational.com/GERmaurice.htm) / Maurice, Emil (https://ww2gravestone.com/people/maurice-emil/) / Hitler's First Murder – henrymakow.com (https://www.henrymakow.com/hitlersfirstmurderhtml.html) / Emil Maurice (https://www.casematepublishing.co.uk/emil-maurice.html)

Emil Georg von Stauss, the president of Deutsche Bank, lent Hitler a portable typewriter for the writing of "Mein Kampf."

Von Stauss, a principal Nazi Party fundraiser, was a longtime business associate of the Rothschilds.

Hitler Used Rothschild Banker's Typewriter (https://www.henrymakow.com/002071.html).

Hjalmar Schacht
Hitler did not end interest payments to the banks.
Under Hitler, the Bank of International Settlements continued dealings with Germany.
Hitler's policies helped to further enrich the Thyssen family, Krupp, the Goebbels family, certain US corporations, and the German banks.
In 1934, Hitler got Hjalmar Schacht to manage the Nazi economy.
Schacht was a 'Rothschild agent', a Freemason and he spoke Hebrew.

Rolf Mengele and Josef Mengele.

There is a belief that **Josef Mengele**, the Nazi, was Jewish.

According to Marc Berkowitz, a survivor of Auschwitz, **Josef Mengele had a certain love for the Jewish people, was very knowledgeable about Judaism and even spoke Yiddish.**

"Documents and interviews reveal that contrary to popular belief, for most of the time that Mengele was in hiding, the **Mossad wasn't looking for him at all**."

Why Did Israel Let Mengele Go? – The New York Times (https://www.nytimes.com/2017/09/06/sunday-review/israel-mengele-auschwitz-holocaust.html)

Both **Hitler and Eva Braun** apparently had Jewish ancestry, according to DNA tests.

Hitler's wife 'Jewish ancestry (https://www.thelocal.de/20140406/hitlers-wife-may-have-had-jewish-ancestry-report)' (https://www.thelocal.de/20140406/hitlers-wife-may-have-had-jewish-ancestry-report) / Hitler's Jewish roots (https://www.haaretz.com/jewish/1.5104559)

The Jews of Europe and North Africa and are mainly people who **converted** to the Jewish religion.

These are not the Jews of the Bible, who are believed to have originated in Saudi Arabia.

There are as many different types of Jew as there are different types of Christian.

Maria Schicklgruber

Hitler's father's mother Maria Schicklgruber 'slept with a wealthy Jew in Vienna'.

Hitler – Rothschild (http://just-another-inside-job.blogspot.com/2009/01/understanding-hitlers-secret.html)

Reportedly, as a teenager, Hitler took a fancy to a pretty girl called Stefanie Isak, whose surname has Jewish origins.

(Hitler's secret Jewish girlfriend Mail Online (http://www.dailymail.co.uk/news/article-404301/Hitlers-secret-Jewish-girlfriend.html))

August Kubizek

Adolf was friends with August Kubizek and they developed a "romantic" and "intimate" relationship.

They both moved to Vienna.

They slept together.

Adolf sometimes spoke to Kubizek of his admiration for the Jewish people.

Adolf met Reinhold Hanisch and they went together to live in a hotel, the Mannerheim, which catered exclusively to gay men and their gay lovers.

In Vienna, Hitler had numerous Jewish friends.

His Jewish friends included, Josef Neumann who sold his paintings, the Galician Jew Jakob Altenberg, the Hungarian Jew Samuel Morgenstern, and the Jahodas, the cultivated upper-middle-class Jewish couple whose company Hitler enjoyed on occasions.

Herr Hitler (https://www.timeshighereducation.com/books/herr-hitler-before-the-hate-set-in/157864.article)

Josef Neumann was a wealthy Jewish homosexual who used to come to the Mannerheim to find young men for sex.

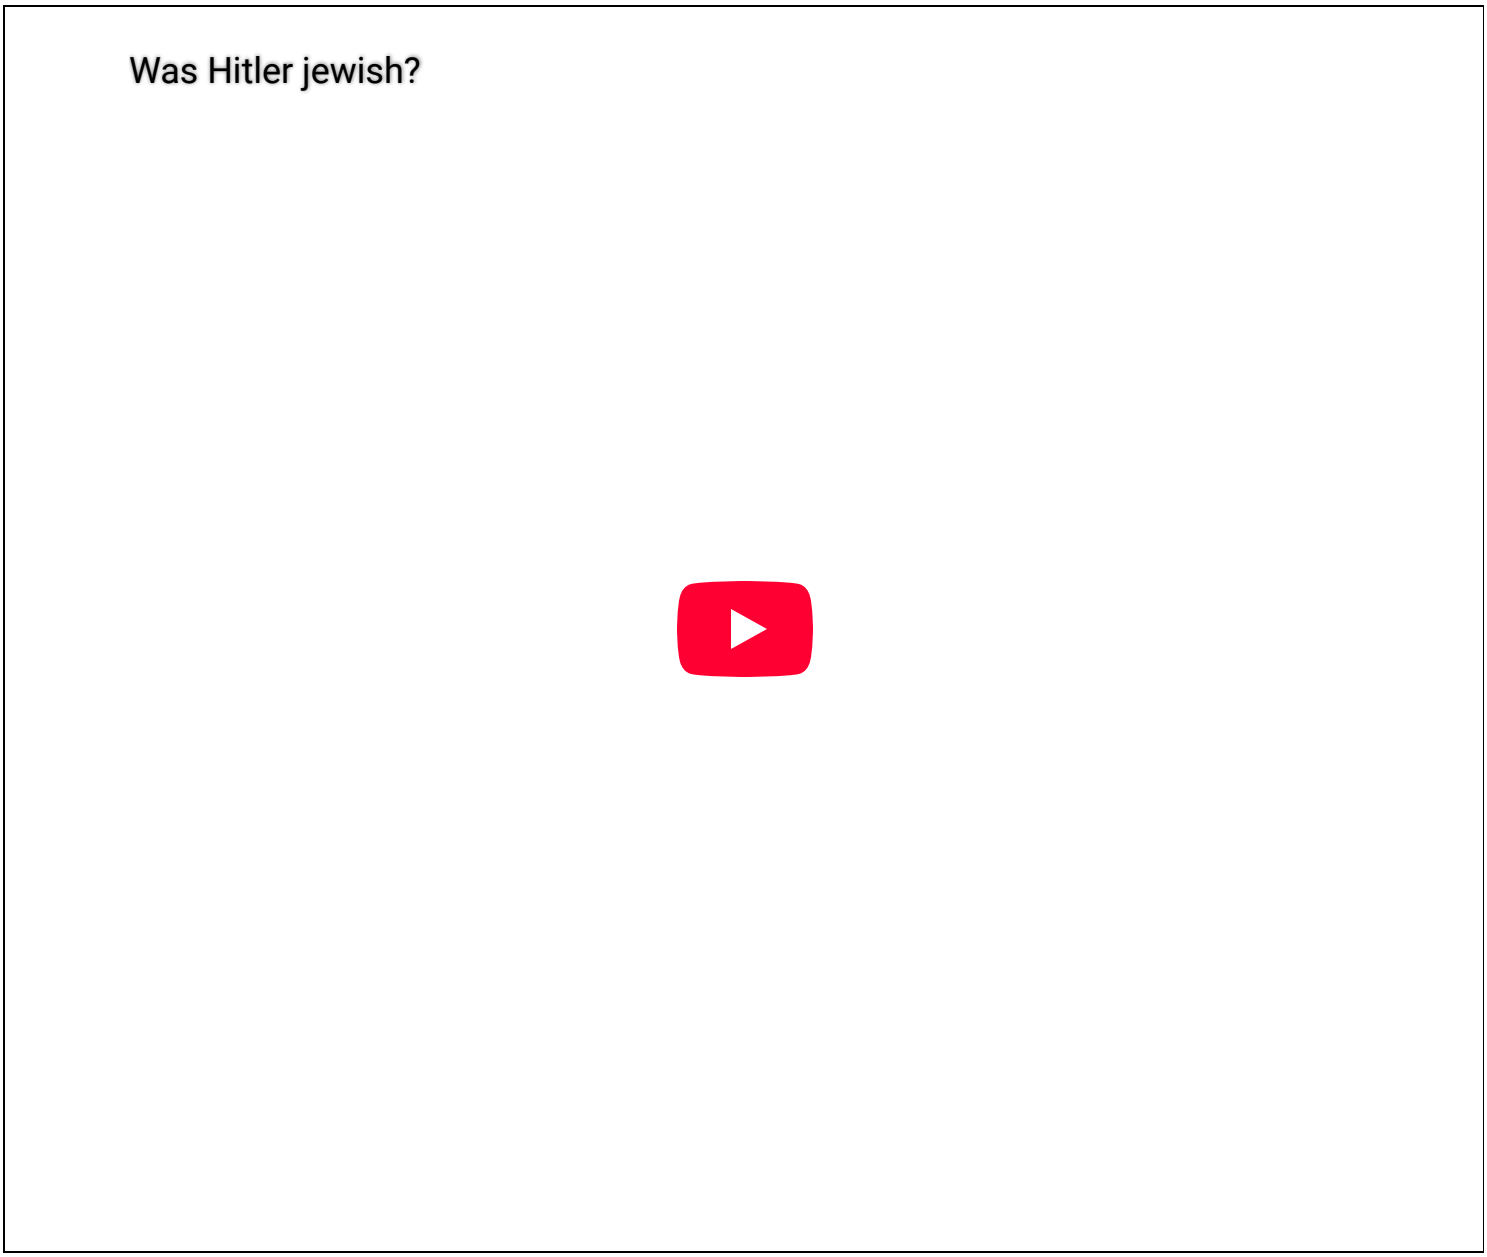
After Neumann, Adolf went to live with Josef Greiner, who was a fan of the Mannerheim.

Emil Maurice

Hitler's 'lover' **Emil Maurice** (https://en.wikipedia.org/wiki/Emil_Maurice), a German Nazi, had Jewish ancestors.

[11] (https://en.wikipedia.org/wiki/List_of_Nazis_of_non-Germanic_descent#cite_note-FOOTNOTEHamilton1984161-11)

Emil Maurice (https://en.wikipedia.org/wiki/Emil_Maurice) was an early member of the Nazi Party and a founding member of the SS.
He was Hitler's chauffeur and one-time personal secretary.



…

The key Nazis had many ‘Jewish’ connections.

I have found that most Jews, most Black people, and most Moslems are lovely, friendly decent people.

My friend Peter is Jewish and, according to his wife, he is very anti-semitic.

Peter explains that he dislikes that small section of Jews who will happily mistreat their fellow Jews.

According to Mordechai Zalkin, a senior history lecturer in Israel, it was mainly Jewish mafias who, in the period before World War II, controlled the underworld in Warsaw, Vilna, Odessa and certain other large cities in Europe. Lulek Lau, 8 year old child orphan, one of the youngest survivors of Buchenwald concentration camp – 1945

In his novel, *In the Vale of Tears*, Mendele Mocher Sforim describes how Jewish mobsters use underhand methods to kidnap Jewish girls from poor, remote towns and then force them to work as prostitutes.

According to Israel Shahak, in the Middle Ages, "Jewish physicians, tax collectors and bailiffs could be relied upon by a king, nobleman, pope or bishop…

"Jewish rabbis and rich Jews were part of the governing class.

"Together they oppressed the masses, Jew and non-Jewish."

Who are the Jewish Nazis?

Reinhard Heydrich, the mastermind of the Holocaust, is believed to have been Jewish.

Walter Schellenberg in his Memoirs (p. 207) writes: "Canaris told me after Heydrich's death that he possessed proof of Heydrich's Jewish ancestry."

"When Heydrich was a child in Halle, neighborhood children made fun of him, calling him "Isi" (Izzy), short for Isidor, a name with a Jewish connotation.

"When he served in the navy, many of his comrades believed he was Jewish. Some called him the "blond Moses."

"Others who lived in Halle have claimed that everybody believed that his father, the musician Bruno Heydrich, was a Jew.

"Half-Jew Alice Schaper nee Rohr, who took piano lessons from Bruno, claimed, "We all knew he was Jewish. …He looked just like a typical Jew."

"In town, Bruno was called Isidor Suess behind his back. With such rumors going around, it was not surprising that Heydrich felt continually burdened by these allegations, especially when he served as an SS general."

– Bryan Mark Rigg, the author of Hitler's Jewish Soldiers

Erik Hanussen

Erik Hanussen, born Hermann Steinschneider, was a Jewish occultist.

'He instructed Adolf Hitler in performance and the achievement of dramatic effect.'

He enjoyed the company of Germany's elite, becoming close with members of Ernst Rohm's Brownshirts (SA (https://en.wikipedia.org/wiki/Sturmabteilung)).

'He was a supporter of the Nazis despite his Jewish ancestry, which was an open secret.'

Hanussen was close to certain important Nazi officials, to whom he had lent money.

It is claimed that Hanussen hypnotized Marinus van der Lubbe (https://en.wikipedia.org/wiki/Marinus_van_der_Lubbe), who was blamed for causing the Reichstag fire.[12] (https://en.wikipedia.org/wiki/Erik_Jan_Hanussen#cite_note-12)

Hanussen disappeared in mysterious circumstances in 1933.

"Half-Jew" Horst Geitner was awarded both the Iron Cross Second Class and the Silver Wound Badge.

This photo of "half-Jew" Werner Goldberg, who was blond and blue-eyed, was used by a Nazi propaganda newspaper for its title page. Its caption: "The Ideal German Soldier."

Werner Goldberg was a German of Jewish ancestry, who served as a soldier for Hitler during World War II.

His image appeared in the Berliner Tageblatt as "The Ideal German Soldier", and was later used in recruitment posters for the Nazi military.

Aharon Shear-Yashuv, the son of a Nazi.

Wolfgang Schmidt, son of SS officer Edmund Schmidt, became a rabbi.

Today he is known as Aharon Shear-Yashuv and teaches at Tel Aviv University.

Aharon has been a senior rabbi in the Israeli armed forces.

Magda Goebbels was born Johanna Maria Magdalena Behrend.

Magda's mother Auguste Behrend divorced Oskar Ritschel and married a JEWISH businessman named Richard Friedländer.

Magda Goebbels once dated Haim Arlosoroff (http://en.wikipedia.org/wiki/Haim_Arlosoroff).

He became a prominent ZIONIST.

Goebbel's descendents include –

Katarina Geller-Herr, who is Jewish.

Colleen-Bettina Rosenblat-Mo, who is Jewish. Her first marriage was to Michael Rosenblat, a German-Jewish businessman.

Anette-Angelika May-Thies, whose first marriage was to Axel May, a Goldman Sachs Group Inc. (GS) (http://www.bloomberg.com/quote/GS:US) international adviser for private banking, who managed the family's investments for about 25 years.

Above, we see Herman Goering (left) and his body-double (right) who was put on trial.

Matthias Göring, from the family of **Herman Goering**, loves all things Jewish.

Reportedly, **Himmler** had Jewish roots.

Himmler's grandparents were Johan Himmler and Agathe Kien.

Himmler's SS cooperated with the Haganah, the Zionist underground military organization in British-run Palestine.

According to author Paul Bogdanor, in his book *Kasztner's Crime*:

A Jew called **Rudolph Kasztner** helped Hitler's Third Reich murder almost half-a-million Jewish men, women and children.

Kasztner helped Eichmann to deport almost 8000,000 'ordinary' Jews to Auschwitz.

Adolph Eichmann went to Palestine in 1937 (http://www.nizkor.org/hweb/people/e/eichmann-adolf) to negotiate a homeland for the Jews.

Jewish historian David Cesarani, in *Eichmann: His Life and Crimes*, states that as a child Eichmann was persecuted because he looked Jewish.

Eichmann's stepmother had Jewish relations and Eichman associated with Jews.

Eichmann learned Hebrew, visited Palestine and worked closely with Zionists preparing Jews for emigration. Israel was alerted to Eichmann's presence in Argentina in 1957, by Fritz Bauer, a Jewish prosecutor in Germany.

Bauer had been tipped off by Lothar Hermann, a Jew in Argentina, whose daughter, Sylvia, had become friends with Eichmann's son.

"Only when Bauer insisted did Isser Harel, director of the Israeli spy agency Mossad, dispatch an agent to Argentina to verify the claim.

"Even then there was a delay of four months – in the 1950s the Israeli security… devoted not a single officer exclusively to the business of Nazi hunting."

The Mossad agent met Hermann and insisted on being given fingerprint and identity card evidence; this was not possible.

Mossad closed the case for a second time.

   My experiences with bedding Jewess was that they didn't take much coaxing to get in bed and were rather lusty in the sack.

In the Eichmann inset you not only allow the Holohoax lie it's claimed he arranged the deportation of 13 millions of Jews. That, according to the Jewish Almanac, would have been virtually every Jewish person in the World.

   As Norman Finkelstein's Mother said, and this is from memory so excuse any possible paraphrasing, "If all these people are claiming compensation, then just who did they kill?"

Above Aangirfan writes:

   « I have found that most Jews, most Black people, and most Moslems are lovely, friendly decent people. »

   My own experience as well. But this statement and the word 'most' hide a problem at the core of the political dynamic today.

   If the 'bad', criminal, or aggressive people in an ethnic group, seem to be only very very slightly larger, a tiny percentage more, than in other ethnic groups … the stage is set for deep social conflict.

   The 'most people of that group are good' still applies … yet people notice that, in many European countries, most of the people sentenced to prison for violent crimes, are of foreign origin.

   If a mere 1/100th of 1% of a group are 'terrorist extremists' – or people who can be duped into participating in intel agency false-flag terrorism – it is still a big problem for ethnic relations and perception… a few dozen 'terrorists' in France shape the ideation regarding 6 million Muslims in France

   It can be called 'racist' to speak openly about it, but people make many life decisions based on the ethnic composition of areas where they might or might not live … what they are fearing is not 'most' but a minority which they feel is larger in one ethnic group than in others

Of course, Brabantian…for example outside of "Posh" Paris there are 'benlieues', suburbia, with 'parallel society', poverty etc. But, for some Parisian bohema these migrant places are "cool" (Most likely because they – these migrants offsring – only go to Paris to work, and these bohemians don't visit these suburban "ghettos"…)

An interesting read, but writing about the great Jew hoax (the holocaust) as if it occurred makes one wonder is it all fiction. Knowing the holocaust was a lie is why the Mossad never pursued alleged holocaust war criminals with any passion….that tid bit of info is more evidence (in your face) confirming the hoax called the holocaust.

Even the word "NAZI" is a Hollywood creation, but make no mistake there were many "Burnt Offerings" in Germany of mostly Germans.

+Aanirfan I'd clarify that unless you want to be dismissed as a propagandist.

All the outrageous snatching of women/children, rape, murder and pillage by the Jewish Bolsheviks and their RED ARMY was projected onto the Germans.

How about an article on the Nemmersdorf Massacre (https://www.google.com/search?q=Nemmersdorf+Massacre&source=lnms&tbm=isch)

What about the thousands of Germans who committed suicide when learning of their invasion by these lessor than animal DEMONS? [See photographs that dwarf those from Jewish sources on the Holocaust(33).]

I watched the docu Hellstorm and the docu The deathcamps of Eisenhower in the Rhine valley on YT.I also saw a docu about polish concentrationcamps showing they used mobile gastrucks to kill people, claimed to be jews. Rothschild is supposed to have said to kill all the schnorrers, the poor jews and those jews that would likely be dependent on the jewish state in Palestine were not allowed to immigrate. Just as now is happening to black jews. Also interesting for you is Juri Lina who has a docu on the Bolsjewik revolution on YT. The entire narrative is frustrating.

When there are many good jews showing pictures with most of them not having survived whatever happened during that Holocaust, it is not a good thing to speak about a hoax. Keep it civil and share as many true facts as you can. I have heard a jew cry out in agony on the remembrance event in Amsterdam on the 4th of May. Something has happened that has deeply traumatized many jews. I would not be surprised if they themselves were mindprogrammed and sacrificed by those in power. Those at the top do not care about common, ordinary people, whether those are jews or goyim.

For further authentication (as if it is required!), Operation Paperclip proves they are all on the same team.

In June 1945 the USA (not even counting the Allies) arranged for 1700 top Nazis to be rehomed with new ID's, Government and Corporate senior jobs and safe haven 3 months prior to the war ending.

Anyone with half a brain or working in Project Consultancy etc. Would have a fair understanding of putting a project together of that magnitude. Clearly, like WTC7 it would need to go through a serious planning phase taking months – possibly years.

So the Nuremberg trials and Fake Nazi hunting was (as always) a pile of tripe.

The Nazis or Ashkenazis or Fake Joos (delete as required) are embedded in all the so called sovereign nations and have been spreading their satanic cancer for generations prior to ours.

The Tower of Babel from an allegorical nuance or historical resonance makes no difference. The message to be understood is there for men of understanding!

This multi millennia end game scenario has played out for longer than most could ever imagine.

The players are Iblees and his tribe. They are the Jinn. Thermal entities who have spanned millennia smashing mankind into oblivion.

When the Kabbalists, Free Masons and those who practice Krafts in secret or Magik. The aim is guidance from the unseen and entities who remain hidden.

The Hidden Hand, Watchers, Jinn or whatever countless names they go by utterly despise mankind and will prey upon us until the day of recompense.

The aethists, communists, disbelievers, hypocrites and all those thinking the field of play is political, sovereign or the corporation's are not even half understanding the problem. The aforementioned are no more than conduits to the parlance.

The humans have been deceived for so long and truth inverted, it is any surprise that anyone has any modicum of understanding about the deception. The half breeds have got all bases covered.

For Christians, Real Jews, Muslims, Hindi or non believers read the Book of Enoch. It will pour a much needed light on the scale of the problem we all face. It's of common interest to us all (not common purpose). Lol.

Seriously though. Peace to the humans.

Your concept of the Djinn is not quite correct. There are islamic djinns and those having chosen evil. Hitler is said to have had the rare in Europe jewish DNA. Which would indicated he has sephardic ancestry. A french biogeneticist with 2 jewish parents, surviving Vichy, wrote that Hitler only defined people with 2 jewish parents as the jews to go to those camps. It is also possible he intended them to found a state in Madagaskar. Which could again indicate he wanted only pure jews to found a jewish state or that those were the ones he despised. Hitler is on tape despising the worldbankers saying Roosevelt started WW II.

Oddly enough, my concept of the Djinn is exactly correct. There is no Islamic Djinn. I am sorry to advise on this occasion. There is only Djinn. Also known as Watchers. Maybe as I had suggested reading the Book of Enoch that you misunderstood my position on this.

The Book of Enoch makes it clear (very) clear who the entities are. Equally, as does The Quran. Muslims understand these entities only too well. There is a chapter in the Quran (Sura 76) called The Djinn. It doesn't make them Islamic Djinn though. The Djinn are also referenced in The Quran in a number of other Suras too.

Iblis (Azazel) and his tribe have been pulling the strings all along. The message is universal. Muslims, Jews or Christians have slightly different interpretations and names for these entities, however, are the same thing.

As a God fearing practicing Muslim, the message was to try and help people understand why events take place in the way that they do. To understand who the 'hidden hand is.

Equally, to whom Soros, Kissinger, Bush, Clinton, the Oligarchs, the Jesuits, Masons and all the other clandestine operatives are answerable to.

Too often you hear Trump this or Clinton that or Big Pharma or Soros this or that. They are players and operatives. Just like Bibis fake homeland for the Jews.

To get to the root of the problem helps paint current events in a different light. The Elites and their well documented occultist practices are known about. When the practice their Magik or satanic tripe, it helps to know what they are hoping to achieve by doing so.

The fake paradigms and the fake msm etc are nothing more than a frivolous distraction.

The occult is how things happen in this very strange world. Most people don't even believe it exists – exactly as the Elites would like.

Peace to the humans.

Adolf Hitler's English nephew, William Patrick Hitler, reportedly in 1930 and/or 1938, threatened to tell the press that Hitler's paternal grandfather was a Jewish merchant.

According to Adolf Hitler's lawyer, Hans Frank, Hitler told him in 1930 he was being blackmailed, and asked him to investigate.
Frank found out that Maria Schicklgruber was working as a maid in the town of Graz, for the Jewish family Frankenberger. She had sent letters to the Frankenberger asking for money, because her child Alois had been conceived by the family's 19-year-old son, Leopold Frankenberger.
Hans Frank was found guilty of war crimes at the Nuremberg trials and executed.

In 2010, DNA tests showed that a cousin of Hitler, had a chromosome called Haplogroup E1b1b1. Haplogroup E1b1b1 is very rare in Western Europe, but is found commonly among Askhenazi and Sephardic Jews.

Other DNA tests on a hair of Eva Braun showed DNA belonging to haplogroup N1b1, which is strongly associated with Ashkenazi Jews.

Even the term "Nazi" appears to be derived from "Nasi", which means Prince in ancient Hebrew.

It is said Hitler had most of his german jewish family killed for that reason. Hitler did not write Mein Kampf which was written by the Jesuits. American jews moved into Germany en masse, moved into high positions in society, creating antagonism. Hitler said to be trained by UK secret services and even to have been related to british royals. Just like happens now, whitewashing money works by using many middle firms, hiding the original source. Illuminati are known to swap children. His supposed mother said to now have been his mother. Talk about occult rituals. Hitler belonging to 2 secret occult orders. Rothschild said to have sired Churchill. So we could all be indoctrinated, mindprogrammed by one big theatreplay. The Illuminati create 2 groups into deep hatred and ultimately manipulate those with lies into fighting and killing eachother. I recently learned about the Sayanims, a worldwide jewish army. I guess if ones does not comply one risks assassination. I believe 5 women committed suicide over Hitler and there is more evidence to sexual perversions, indicative of having been mindprogrammed like MK Ultra victims. Could the Zi in Nazi be related to Zionism. Theodor Herzl saying in his diary he intended to promote antisemitism to further the founding of the state Israel.

There are more jews in this world than the jews want you to know. It could be your nice' christian' neighbour or ' catholic ' priest. Christianity is a jewish invention as is islam to rule the Goyim masses. Judaism and ' christianitty' have always worked together. They are diffuse not separated as the jews want you to believe. It's a jewish scam of two jewish factions in the west using ' christianity' and judaism. The elite of both is jewish which has been hidden from the beginning for the Goyim masses. The same is valid with judaism and ' islam' another jewish invention.

What do you mean by Christianity? If you mean Protestantism, you could be right about invented by the jews. Calvin was a jew and Luther was surrounded by jews and came to understand the depht of deception by which he had been subverted, away from the Catholic Church. Only at the end of his life he understood and wrote his 'The jews and their lies'.

Catholicism has always been attacked and/or infiltrated since beginning. It is NOT an invention of the jews but the Antagonist of jewish power as was Jesus Christ, the Founder of the Catholic Church.

You should read 'Dissipation of Darkness' to get an idea of how old and deep the hatred of Christianity is. Yes, it started with Christ hemself and then with the works of His apostles. The plot against the Church is that old!

It was Tertullian (160-220 CE) who once said that 'The Catholic Faith and jewish power are like the two pans of a scale. If the Faith is up, the jewish power is down.' A strong Catholic Faith is the only answer to this power. 'Be wise as serpents and harmless as doves.' Which means don't get corrupted and subverted by the jews, so you can stay peaceful.

What nonsense that Christianity was formed by jews. Jesus revealed an esoteric path that caused great waves of hatred from the exoteric Jewish orthodox religion. His gnostic teachings are still misunderstood by most. All religons will have to be corrupted and destroyed through skepticism, stupid science, dumb down movies, media (evolution, the big bang, man came from monkeys etc.) until the religious fanatics of izrael can have there way…

´Hitler in Argentina´. Book by Harry Cooper:

https://www.youtube.com/watch?v=Tu_mXmS-3ns (https://www.youtube.com/watch?v=Tu_mXmS-3ns)

30 april 1945 / Adolph H. is said to have killed himself and his spouse Eva B. in the Berlin Bunker.

30 april is the day Dutch queen Juliana, the mother of queen Beatrix is said to be born. Juliana is not the biological daughter of queen Wilhelmina.

Reliable Dutch historians say, she was adopted.

Juliana was married to German prince Bernhard (the founder of Bilderberg. 1954) who had a connection with Adolf H.

Wilhelmina had syphilis so could not get children.

Wilhelmina is not the biological daughter of the man said to be her father King Willem III (1817 – 1890)

Willem III had syphylis idem dito was married to (German) Emma.

Willem III asked one of his close court minions not to talk, but to ..ck Emma, to keep the Reality show going.

Willem III is the biological son of Willem II who was married to Anna Paulona.

Anna Paulona was a Russian, a Romanov,

After 1990 when the Soviet Union is said to have ended, the Russians dug up the bones of Tsar Nicolas and his family to rebury them with honor. To be sure they did DNA tests on known offspring.

Queen Elisabeth has Romanov forefathers, she DNA testing. That was enough proof for the researchers.

Juliana and Beatrix they refused….so, proof enough.

Nevertheless Beatrix (Dirty Tricks), major Shell shareholder and Elisabeth (Bad Elisa), major BP shareholder both are known satanists and involved in child abuse and child killing as most of the rest of the Rothschild Bilderberg club and are called by Leuren Moret Gangsters in Tiara behind Fukushima:
